

2010 Reunions & Travel Shows

Dear Friends... This Spring, join Mark & the Van Dyke family of an informative and often humorous presentation of our journeys. Amongst others, enjoy our new Crimean Rail Journey from Moscow to Kiev, Venice to Dubrovnik cruise, French River Cruise, Oberammergau, Polar Bears of Churchill, Canada & New England, Cape Town to Singapore with Oceania, Luxury rail and river through China to Tibet, China & the Yangtze River, Madeira Flower Festival and Douro river cruise and of course our famous river cruises on board our very own *Da Vinci*.

Chat with guests who have travelled with us 2, 30 or even 80 times and find out why they return.

Our shows are always casual, free and have no sales pressure. Bring a friend and enjoy. No RSVP necessary.

Parking is free at most locations. Visit our web site for maps and details or contact our friendly office staff.
